SECTION A - GENERAL INTRODUCTION

1. Introduction

1.1 This policy sets out the framework for making decisions on employees' pay. It has been developed to comply with current legislation¹, the requirements of the School Teachers' Pay and Conditions Document (STPCD), the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service ("Green Book") and in accordance with the principles of public life - objectivity, openness and accountability.

1.2 In adopting this pay policy the aim is to:

- (a) achieve excellent outcomes for all students
- (b) support the recruitment and retention of a high quality workforce
- (c) complement the Trust's appraisal policy which [is/are] supportive and developmental and ensures employees have the skills and support to do their job effectively
- (d) enable us to recognise and reward staff appropriately for their contribution to the Trust
- (e) help to ensure that decisions on pay are managed in a fair, just and transparent way
- (f) ensure that there is no pay discrimination in decision making and that decisions are based on evidence and can be justified

1.3 Pay decisions at this Trust are made by the Board of Directors based on evidence which will be linked to appraisal outcomes and meeting of relevant standards

1.4 This policy has been implemented following consultation with staff and the recognised trade unions. The Board of Directors adopted this policy on October 2015.

2. Monitoring the impact of the policy

The Board of Directors will monitor the outcomes and impact of this policy on an annual basis, including trends in progression across specific groups of staff to assess its effect and the school's continued compliance with equalities legislation.

3. Review of policy

This policy is reviewed annually by the trust in consultation with the recognised trade unions. We will monitor the application and outcomes of this policy to ensure it is working effectively.

¹ Including the Employment Relations Act 1999, the Equality Act 2010, the Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000 and the Fixed-Term Employees (Prevention of Less Favourable Treatment) Regulations 2002.

SECTION B - DETERMINING TEACHERS' PAY

1. Basic pay determination on appointment

- 1.1 The Trust will determine the pay range for a vacancy prior to advertising it. On appointment it will determine the starting salary within that range to be offered to the successful candidate.
- 1.2 In making such determinations, the Trust may take into account a range of factors, including:
 - (a) the nature of the post
 - (b) the level of qualifications, skills and experience required
 - (c) market conditions
 - (d) the wider Trust context and strategic priorities
- 1.3 Although there is no assumption that a teacher will be paid at the same rate as they were being paid in a previous school, the school will determine the appropriate rate of pay for a teacher joining the school taking account of salary expectations, current salary and the factors set out above.

2. Pay reviews

- 2.1 The Board of Directors will ensure that each teacher's salary is reviewed annually by no later than 31 October each year or by no later than 31 December each year for Headteachers. Pay increases will be backdated to 1 September of the same academic year.
- 2.2 Salary will also be reviewed if a teacher takes up a new post with effect from the date the post commenced or in other circumstances as required, with effect from the relevant date.
- 2.3 All teachers will be notified in writing within one month of a decision on pay setting out their salary, any payments or other financial benefits awarded, any safeguarding, where a copy of the staffing structure and pay policy may be inspected and any other information required by STPCD.

3. Assessment of pay progression

- 3.1 In this Trust all teachers will receive regular feedback on their performance and are subject to an annual performance appraisal. The arrangements for teacher appraisal are set out in our Appraisal Policy.
- 3.2 Decisions regarding pay progression will be made with reference to the appraisal process. A fair and transparent assessment process will be in place where decisions are based on evidence.
- 3.3 In this Trust, judgements of performance will be made in relation to appraisal outcomes, meeting objectives and, where applicable, the Teachers' Standards.
- 3.4 The evidence we will use may include, but not be limited to appraisals, peer review, tracking pupil progress, lesson observations, the views of pupils and parents.
- 3.5 Teachers' appraisal reports will contain pay recommendations. These recommendations will be reviewed by the senior leadership team and/or the Headteacher and be moderated

across the School. In the case of the Headteacher, the pay recommendations will be reviewed by the Governing Body and/or Board of Directors.

- 3.6 Final decisions about whether or not to accept a pay recommendation will be made by the Headteacher or Board of Directors in accordance with the Scheme of Delegation, having regard to the appraisal report containing the pay recommendation and the review exercise by the senior leadership team and/or Headteacher.
- 3.7 Additional progression may be considered in accordance with the criteria set out in this policy.
- 3.8 It will be possible for a 'no progression' determination to be made without recourse to the capability procedure.
- 3.9 Where teaching, progress or compliance with the Teachers' Standards is not meeting expectations the Headteacher/Principal will determine support and if necessary the capability procedure will be used. In such situations there would be no pay progression during that year.
- 3.10 The Board of Director's will consider its approach in the light of the Academies' budget and ensure that appropriate funding is allocated for pay progression at all levels.

4. Main pay range for teachers

- 4.1 The main pay range within this trust is a six point range with the following reference points:

Point	Annual FTE salary
1 (main pay range minimum)	£22,243
2	£24,002
3	£25,932
4	£27,927
5	£30,127
6 (main pay range maximum)	£32,509

Pay progression for main pay range teachers

- 4.2 Eligible main pay range teachers will be automatically considered for progression and no application will be necessary. However annual pay progression within the range is not automatic and decisions regarding pay progression will be clearly attributable to the teacher's performance with reference to the appraisal process.
- 4.3 Teachers will progress by one or two points until they reach the top of their range if in the professional judgement of the Headteacher/Principal they can demonstrate and the Governing Body is satisfied that there is evidence of the following criteria:

Performance level	Description	Increase
Outstanding	<ul style="list-style-type: none"> • All objectives exceeded • Meets Teachers' Standards • Consistently outstanding teaching • Excellent pupil progress • Makes a valued contribution to a whole school initiative 	2 increments up to and not exceeding the maximum point

Good	<ul style="list-style-type: none"> • All objectives met • Meets Teachers' Standards • Consistently good teaching • Good pupil progress evidenced 	1 increment up to and not exceeding the maximum point
Requires improvement	<p>Some concern about any or all of the following:</p> <ul style="list-style-type: none"> • Achievement of objectives, • Teachers' Standards • Pupil progress 	No increase but support through appraisal and ongoing performance management to improve performance
Poor performance	Continued or significant concerns	Move to capability policy

5. Upper pay range for teachers

5.1 The upper pay range within this trust is a [three point] range with the following reference points:

Point	Annual FTE salary
1 (upper pay range minimum)	£35,218
2	£36,523
3 (upper pay range maximum)	£37,871

Application to be paid on the upper pay range

5.2 Any qualified teacher may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range.

5.3 Applications may be made once a year by no later than 31 October.

5.4 Applications should contain evidence from the last 2 years, should be made in writing using the standard form available from the office or HR and be submitted to the Headteacher/Principal.

5.5 An application from a qualified teacher to progress on to the upper pay range will be successful where they can demonstrate that they meet not only the Teachers' Standards, but are highly competent in all elements of the standards and that their achievements and contribution are substantial and sustained. In this trust this means that to achieve progression, the Governing Body and/or Board of Directors must be satisfied that the teacher meets this criteria and there is evidence covering a period of at least the past 2 years of:

- Consistently outstanding teaching
- Evidence of coaching and supporting colleagues to achieve improved student outcomes and the work of the wider team; e.g. managing a whole school project or a key stage / faculty initiative.
- Acting as a role model for Teaching & Learning; e.g. coaching and mentoring other teachers, supporting teachers on ISPs and coaching aspiring leaders.

- (d) A commitment to personal development and CPD focussed on improving outcomes for students; e.g sharing good practice and clear evidence of the effect it has on student learning and achievement.
- (e) Highly competent in all areas of the Teachers' Standards
- (f) The contribution at this level must be substantial and sustained.

Sustainability of contribution cannot be achieved unless the individual teacher has achieved at least 94% attendance record over the two year reference period.

- 5.6 The application will initially be assessed by the Headteacher/Principal who will moderate all applications. The Headteacher/Principal will then make recommendations to the Governing Body and/or Board of Directors who will make the final decision.
- 5.7 The assessment will usually be made within 15 working days of the submission date of 31 October each year.
- 5.8 If successful, applicants move on to the upper pay range will be backdated to 1 September of that academic year.
- 5.9 Ordinarily a successful teacher will be placed on the bottom of the upper pay range. In exceptional circumstances the Headteacher/Principal may recommend a higher salary based on:
 - (a) the nature of the post and the responsibilities it entails
 - (b) the level of qualifications, skills and experience of the teacher
 - (c) market forces
- 5.10 If unsuccessful, feedback will be provided in writing by the Headteacher/Principal along with confirmation of the process for appeals.

Pay progression for teachers within the upper pay range

- 5.11 Once a teacher has moved on to the upper pay range, if eligible they will be automatically considered for further progression no more than once every two years based on two consecutive, successful performance reviews and no application will be necessary. However annual pay progression within the range is not automatic and decisions regarding pay progression will be clearly attributable to the teacher's performance with reference to the appraisal process.
- 5.12 Upper pay range teachers will progress by one point, until they reach the top of the range, if they can demonstrate and the Governing Body and/or Board of Directors is satisfied that there is evidence from the required period of continuing to meet the criteria at 5.5.
- 5.13 Additional progression may be considered for upper pay range teachers where performance is judged to be exceptional taking in to consideration the criteria at 5.5 and where all objectives have been exceeded.

6. Pay ranges for members of the leadership group

- 6.1 Pay ranges for Headteachers, Deputy Headteachers and Assistant Headteachers will be determined in line with STPCD for new appointments, where responsibilities significantly change or if this trust chooses to review pay of leadership posts in line with STPCD. The pay range will take into account all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations including the skills and

competencies required. Pay ranges will allow appropriate scope for performance related progression over time.

Leadership Group - Headteachers

- 6.2 The school will be assigned to a Headteacher group calculated using its total unit score, in accordance with STPCD.
- 6.3 A pay range will be determined for the Headteacher which will not normally exceed the maximum of the Headteacher group, unless the specific exceptional circumstances or candidate warrant it, up to an additional 25%.
- 6.4 Additional payments may be made to a Headteacher for temporary responsibilities that are in addition to the duties taken in to account for the determination at 8.1-8.3. The total sum of any temporary payments will not normally exceed 25% of the Headteacher's annual salary.
- 6.5 In addition, the total sum of annual salary combined with any temporary payments (where applicable) will not exceed the maximum of the Headteacher group, calculated at 8.2, by more than 25%. Where this, or exceeding the limits set out at 8.3 are being considered by the governing body, there must be wholly exceptional circumstances and that committee must make a business case to the Board of Directors who will seek external independent advice.
- 6.6 Consideration should be given to the scale of differential between the various members of the Leadership Group; and between those members and other staff within the Academy/Trust.

Deputy Headteachers and Assistant Headteachers

- 6.7 A pay range will be determined for any Deputy Headteacher and assistant Headteacher, considering how the role fits within the wider leadership structure of the Academy. The pay range will not exceed the maximum of the Headteacher group for the Academy and will not normally overlap with the pay range of the Headteacher, except in exceptional circumstances.

Pay progression for members of the leadership group

- 6.8 Eligible members of the leadership group will be automatically considered for further progression and no application will be necessary. However annual pay progression within the range is not automatic and decisions regarding pay progression will be clearly attributable to the leadership group member's performance with reference to the appraisal process.
- 6.9 Leadership group members will progress by one point until they reach the top of their range if they can demonstrate and the Governing Body and/or Deputy Director (LAAT) is satisfied that there is evidence of sustained high quality of performance in academy leadership and management and pupil progress, clearly linked to school improvement priorities and outcomes.
- 6.10 Additional progression may be considered for members of the leadership group where performance is judged to be exceptional taking in to account the criteria at 7.8 and where all objectives have been exceeded. This will be a maximum movement of two points and must be approved by the Board of Directors.

7. Teaching and Learning Responsibility (TLR) payments

- 7.1 In this Trust we pay TLR1 or TLR2 to a classroom teacher for undertaking a sustained additional responsibility in the context of our staffing structure for the purpose of ensuring

the continued delivery of high quality teaching and learning and for which the teacher is made accountable. The award is made whilst the teacher remains in the same post or occupies another post in the absence of a post-holder.

7.2 Current values are as follows in accordance with the staffing structure:

TLR1 £7,546 - £12,770

TLR2 £2,613 - £6,836

7.3 In addition we may award a fixed-term TLR3 to a classroom teacher for time-limited, clearly defined school improvement projects, or one-off externally driven responsibilities. The annual value of a TLR3 will be no less than £511 and no greater than £2551.

8. Special Educational Needs (SEN) allowances

8.1 A SEN allowance will be paid to classroom teachers who meet the criteria set out in STPCD. Where a SEN allowance is to be paid, the spot value of between £2043 and £4034 will be determined based on the structure of the SEN provision, whether mandatory qualifications are required for the post, the qualifications or expertise of the teacher and the relative demands of the post.

9. Newly qualified teachers (NQTs)

9.1 In the case of NQTs pay decisions will be made by means of the statutory induction process.

10. Part time teachers

10.1 Teachers who work less than a standard working week are deemed to be part time. Their hours and working time obligations will be set out in their contracts of employment and in line with the provisions of STPCD. The pay of part time teachers will be determined in the same way as full time teachers and any increase in pay will be paid pro rata to full time equivalent salary rates.

11. Short notice/supply teachers

11.1 Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata. They will be paid the agreed rate for the job and are not subject to the appraisal process.

12. Pay protection

12.1 Pay protection arising from changes to pay and structure will be in line with the provisions of STPCD.

13. Absence and pay progression

13.1 Employees who are absent long term (including but not limited to maternity leave and long term sick leave due to a disability) are still eligible to be considered for pay progression.

13.2 The Trust will take into account the criteria set out in this policy, but use the period of time prior to the employee commencing their period of absence. In most cases this will be the preceding year or two years for progression on to the upper pay range. If there is sufficient time for assessment in the current cycle, that period may also be considered.

14. Appeals

- 14.1 The steps of the pay appeals process perform the function of the grievance procedure on pay matters and so employees will not be able to raise the complaint under the school grievance procedure following conclusion of a pay appeal.
- 14.2 Employees may be represented by a recognised trade union or colleague at any formal stage of this procedure. The employee is responsible for making these arrangements and for providing their representative with any paperwork they require for the hearing. The teacher should inform the chair of the appeals panel who their chosen companion is, in good time before the hearing.

Informal discussion

- 14.3 As part of the normal salary review process, the Headteacher will inform the teacher of the pay decision. Upon receipt of written notification of the pay decision, if the teacher is dissatisfied they should first discuss the decision with the Headteacher within 5 working days of receipt of the notification.
- 14.4 This discussion gives an opportunity for a teacher to discuss the decision on their pay, to gain an understanding of why the pay recommendation and decision were made and to resolve issues quickly and informally. If this does not resolve an issue, a teacher may follow the formal procedure set out below.

Stage One

- 14.5 If, following discussion with the Headteacher, the teacher remains dissatisfied, they can make a formal appeal in writing within 5 working days of the discussion with the Headteacher to the committee who made the decision. The possible grounds for appeal are:
- (a) incorrectly applied any provision of the STPCD;
 - (b) failed to have proper regard for statutory guidance;
 - (c) failed to take proper account of relevant evidence;
 - (d) took account of irrelevant or inaccurate evidence;
 - (e) was biased; or
 - (f) unlawfully discriminated against the teacher
- 14.6 Appeals against pay decisions should be made in writing and addressed to the Governing Body stating the grounds of their appeal in accordance with 15.5 above.
- 14.7 The panel who made the decision (or a representative from) will convene a meeting to consider the appeal as soon as is practically possible. The employee will be invited in writing, giving a minimum of 5 days' notice and copies of any relevant documents to be considered at the meeting will be enclosed.
- 14.8 The teacher will have the opportunity to make representations to the Governing Body panel or their representative and a school representative will also attend to present the management case. A note taker will also be present.
- 14.9 The panel or their representative will review their decision and will confirm the outcome in writing to the teacher within 10 days.

Stage Two

- 14.10 If a teacher wishes to appeal against the decision made at Stage One, they may do within 5 working days of the written decision on the grounds that the committee who made the decision:
- (a) incorrectly applied any provision of the STPCD;
 - (b) failed to have proper regard for statutory guidance;
 - (c) failed to take proper account of relevant evidence;
 - (d) took account of irrelevant or inaccurate evidence;
 - (e) was biased; or
 - (f) unlawfully discriminated against the teacher
- 14.11 Appeals against the decision at Stage One should be made in writing and addressed to the Board of Directors stating the grounds of their appeal in accordance with 15.10 above.
- 14.12 Upon receipt an appeals panel of three different Directors who have not been involved in the original decision will convene a meeting to consider the appeal as soon as is practicably possible. The employee will be invited in writing, giving a minimum of five days' notice and copies of any relevant documents to be considered at the hearing will be enclosed.
- 14.13 The teacher will have the opportunity to make representations to the appeals panel and a representative of the original decision making panel will also attend. A note taker will also be present.
- 14.14 The decision of the panel will be confirmed in writing to the teacher within 10 working days of the meeting. The appeal panel's decision is final; there is no further right of appeal.

SECTION C - DETERMINING SUPPORT STAFF PAY

1. Pay reviews

- 1.1 The Governing Body will ensure that each member of support staff's salary is reviewed annually with effect from 1 September if eligible.

2. Salary scales

- 2.1 The salary scales used will be in accordance with the Green Book and NJC pay scales.

3. Job descriptions

- 3.1 The Headteacher/Principal in conjunction with the line manager of the role will ensure that an up to date job description is available for each post which identifies the appropriate duties.
- 3.2 The job description will be reviewed as appropriate or when duties or responsibilities have changed and it will be amended to reflect the current role; although it should be recognised that job descriptions are not intended to list all tasks. An employee may request changes to their job description if they feel their duties or responsibilities have changed significantly. If appropriate, consideration may be given to whether the grade for the post should be re-determined in accordance with the GLPC Job Evaluation Scheme and if it is, the post holder will be paid the new grade from a date determined by the Headteacher/Principal. If the assessment results in a lower grade, the employee may be entitled to salary protection in accordance with their terms and conditions of employment.

4. Basic pay determination on appointment

- 4.1 The Trust will determine the grade for a vacancy prior to advertising it which will be identified on the job description. All job descriptions will be evaluated in accordance with the GLPC Job Evaluation Scheme. On appointment the Headteacher/Principal will determine the appropriate point within the grade to be offered to the successful candidate (which will usually be the bottom point of the grade). However in making such determinations, this may take in to account a range of factors, including:
- (a) the nature of the post
 - (b) the level of qualifications, skills and experience required
 - (c) market conditions
 - (d) the wider School/Trust context and strategic priorities

5. Incremental progression

- 5.1 If the employee has more than 6 months' service in their role at 1 September, they are eligible for an increment subject to satisfactory service. This will be paid annually with effect from 1 September until the employee reaches the top of their scale.
- 5.2 If the employee has less than 6 months' service in their role at 1 September, the first increment will not be paid until six months after their appointment subject to satisfactory service. Subsequent increments will be payable on 1 September in line with paragraph 5.1 of this policy.
- 5.3 Incremental progression is subject to satisfactory service and as such may be withheld where there are concerns about an employee's performance, such as achievement of objectives under the school's appraisal policy or wider performance concerns during the

appraisal year. Where concerns arise, these will be discussed with the employee and a support plan put in place. In cases where incremental progression is withheld, the employee will receive confirmation of this in writing including the reasons and informing them of their right of appeal. Pay progression may be refused without recourse to the capability procedure.

6. Honoraria

- 6.1 An honorarium may be paid on a temporary basis where an employee is offered and agrees to:
- (a) undertake higher level work in addition to their normal duties
 - (b) 'act up' for at least four weeks in to a higher graded post which has become temporarily vacant, for example, due to sick leave
- 6.2 The Headteacher/Principal will determine the amount of this payment. Where the employee is undertaking higher level work not equivalent to a higher graded post, a fixed sum will be agreed. Where the employee is acting up and if carrying out the full responsibilities of the role, the payment will usually be the difference between the minimum point of the higher graded role and their current salary.
- 6.3 The employee will return to their substantive post and salary when they are no longer required to undertake the higher level work or 'act up'.
- 6.4 This should usually only be a temporary solution and the Headteacher should consider whether it may be more appropriate to advertise the post or duties on a fixed term basis.

7. Appeals

- 7.1 A member of support staff has the right to appeal against a decision that affects their pay. The principles of the appeals process for teachers apply (set out in Section B, paragraph 15) however the Green Book replaces STPCD at 15.5(a) and 15.10(a).
