What's happened since the last meeting?

Christmas Fayre: Thank you to everyone that helped make this a great success. And thank you to all the local business that supported us with gifts and stands.

Film Night: Toy Story – perhaps not a film liked by all. We will need to think about the next film to keep attention

Valentines Disco: We were very tight on helper numbers – especially the KS2 session. Parents – we need your support please or these events may not be able to carry on going forwards.
